

Lara Lapajne Golob v krajih 1000 metrov nad morjem razvija svojo življenjsko in poslovno zgodbo, ki jo navdihuje ljubezen do narave. S tradicionalnimi ročnimi postopki, po navodilu babic in prababic, iz zelišč izvabi blagodejne »esence« ter jih preoblikuje v zeliščne pripravke in izdelke pod blagovno znamko Hiša zelišč. V Deželi doživetij Log pa za goste pripravlja unikatna doživetja za sproščujoč ali aktivno preživet dan v objemu narave.

1000 metres above sea level, Lara Lapajne Golob leads her life and her career inspired by the love of nature. Using traditional manual processes which she learnt from her grandmothers and great-grandmothers, Lara extracts beneficial "essences" from herbs and transforms them into herbal preparations and products under her House of Herbs trademark. At the same time, her Log Land of Experience offers the visitors unique experiences for a relaxing or an actively spent day in nature.
