Turistično društvo Fara ohranja kulturno dediščino Spodnje Idrije. Poleg urejanja okolja in priprave kulinaričnih dobrot so posebno pozornost namenili obuditvi izdelave in uporabe šajblčkov – glinenih lučk, ki so jih včasih prižigali na grobovih in na praznične dneve, ob veliki noči in 1. maju.

*The Tourist Society Fara preserves the cultural heritage of Spodnja Idrija. In addition to keeping their environment tidy and preparing culinary delicacies, the society pays special attention to reviving the old craft of making and using 'šajblčki' – clay lamps, which used to be lit at graves and on festive days such as Easter and May 1st.*

### Šajblčk "Šajblčk"

Šajblčki so ročno izdelane glinene lučke, dediščina bogate lončarske tradicije, ki so se ohranili samo v Spodnji Idriji. Danes imajo šajblčki poleg etnološke tudi ekološko vrednost.

*"Šajblčk" is a handmade, small clay pot, which used to be filled with fat or wax and used as candle on the graves. Preserved only in Spodnja Idrija, it comes from a rich pottery tradition. Today, "šajblčk" has both ethnological and ecological value.*
