

Idrija.

1. Download the TeachOUT app by Locatify on Google Play (Android) or Apple Store (iOS).
2. Run the app.
3. On the drop-down menu, choose a trail in your vicinity that you would like to walk. To make things easier, the app will calculate the distance from your current location to the starting point of each trail.
4. Open the trail by touching it on the menu (e.g. Zgodba o petstoletnem živosrebrovem studencu). Once the window opens, press INSTALL.
5. The game will download onto your phone. When the installation is complete, press START.
6. A new window will open: MY PLAYER NAME. Enter a name with which you would like to join the game. Press OK.
7. Press START GAME NOW and the game will begin.
8. A map will show you your location and the place you need to reach. Follow the instructions. Whenever you reach a certain point, a short description will pop up on your phone. See PRESS FOR CHALLENGES for any questions you must answer.
9. When you answer every question at a certain point, you will receive instructions on how to reach the next one. Follow those until you reach the last point and end the game.

Good luck!

Important information:

- You must enable location on your phone.
- Certain points will come equipped with a sign  in the upper right-side corner. This means a tip is waiting for you if you need it.
- Before you begin your journey, don't forget to fill the battery of your phone.
