

Katarina je po poklicu medicinska sestra, ki v svojem salonu že vrsto let pomaga ljudem z različnimi težavami s stopali. Zase pravi, da je ponosna pedikerka. Marsikateri domačin jo pozna tudi kot prvo idrijsko rally voznico. Je tudi ljubiteljica penin in iz želje ustvariti svojo penino je nastala penina Kalos – nekoliko drugačna poslovna zgodba, na katero je zelo ponosna.

A nurse by profession, Katarina has been helping people with various foot problems in her salon for many years. She considers herself a proud pedicurist. Many locals also know her as the first female rally driver in Idrija. As a sparkling wine enthusiast, her desire to create her own sparkling wine led to Kalos – a slightly different business story, of which she is very proud.

KALOS PENINA KALOS SPARKLING WINE

Penina izvira s sončnih pobočij kmetije Furlan v Vipavski dolini. Njena posebnost je, da se prav vsaka steklenica stara in pridobiva na žlahtnosti v specifičnem okolju idrijskega rudnika. Penina očara s svojo kompleksnostjo in svežino ter pušča trajen vtis.

This sparkling wine comes from the sunny slopes of the Furlan Farm in the Vipava Valley. What makes it special is that each bottle is aged and refined in the unique environment of the Idrija mine. Charming with its complexity and freshness, the sparkling wine leaves a lasting impression.
