## THE RULES OF CONDUCT FOR THE VISITORS

Zgornja Idrija Landscape Park is an area of exceptional natural value and was declared Landscape Park in 1993. We take pride in the preserved, pristine nature and we are certain that you would like to experience it as such as well. In the hope of preserving it for future generations we kindly ask you to comply with our rules of conduct.

### Entering the Landscape Park

We suggest you enter on foot, by bike or by a free bus from Idrija or Črni Vrh (on weekends and work-free days in July and August). Users of the bus can park their car by the point of departure.

### Gastronomy

By the confluence you can visit the Lajšt Bar that offers food, drinks, picnic places (reservation is required), playgrounds and restroom facilities. You can also visit a nearby snack bar Fežnar, that offers homemade food and drinks.

### Parking

Park your car on designated places. By the Divje jezero the parking is limited to 2 hours. To park by »Lajšt«, you will have to pay a parking fee. The parking is prohibited by and on roads.

### Waste

Please separate waste and leave it by the designated places or take it with you and leave it by the designated places outside the park.

### Driving car

Driving motor vehicles outside the roads and marked paths is not allowed. Let us protect the environment from damage and noise.

### Fire

Fire in the nature is prohibited with the exception of the picnic places at Lajšt. Picnic places need to be booked in advance.

Camping and staying overnight in a camper is not allowed. The best resting places for campers are Campsite in Idrija and Kamp Holzer in Zadlog, where you can also set up a tent.
